Project Templates for Visual Studio

2010, 2012, 2013, 2015

Contents:

- Drawings Plug-in.zip
- Model Plug-in.zip

NOTE: Please do not unzip these files.

Copy the above zip files to:

- "Documents\Visual Studio 2010/2012/2013\Templates\ProjectTemplates", or
- "My Documents\Visual Studio 2010/2012/2013\Templates\ProjectTemplates"

Start Visual Studio 2010/2012/2013/2015, File > New > Project, look under "My Templates" or "Installed Templates"; select "Drawings Plug-in" or "Model Plug-in", enter the name of your plug-in and the location of the project files, click OK.
